

The logo for Siren's Call Music & Culture Festival is centered at the top of the page. It features the words "Siren's Call" in a large, white, cursive script font. Below this, the words "MUSIC & CULTURE FESTIVAL" are written in a smaller, white, sans-serif font. The background of the logo is a vibrant blue with abstract, dark red and black shapes that resemble a siren's face or a stylized landscape.

FESTIVAL

Dear Friends,

Following the communication from the Luxembourgish Government announcing the ban of all large events on Luxembourg territory until July 31st 2020 in the fight against the global Covid-19 pandemic, neimënster and Atelier team confirm with a heavy heart that the Siren's Call festival will not take place in 2020.

This hurts. A lot.

We already put so much effort in this edition, booking a wonderful string of artists and bands.. It's a real shame not to be able to experience the lineup. But the safety of our community, artists and staff is paramount and following the Government's guidelines comes as a self-evidence.

Mais ce n'est que partie remise !

On the positive side of things, the 4th edition of the Siren's Call – Music and Culture Festival is being postponed and will now take place on Saturday, June 26th 2021.

All tickets already bought remain valid for the new date!

In the meantime, stay home, stay safe and support your favorite artists online.

Yours truly,

The Siren's Call team
