M. H. Koch-Kent,

Thank you very much for your letter of 19th November and the press cuttings about Peenemünde. It is unfortunate that the Press can fail to give credit to the right people, but nowadays this seems to be almost inevitable. It was admirable of the Roth family to put the record straight. Incidentally, I have been delighted to see that there is now a photograph of Henri Roth in the Gallery of Heroes and Heroines of the Resistance in the Special Forces Club in London.

If we are both ever in London at the same time, I shall be glad to show it to you.

I have heard nothing more from Minister Kriepps about a possible visit to Luxembourg, but if it is arranged I should be happy to let you know.

With all good wishes for Christmas and the New Year.

Yours sincerely,

R.V. Jones
