# **SOME EXPLANATIONS**

EA SPORTS Football Club™ is one of the most influential esports games.

Esports continues to grow year on year and more and more traditional football clubs are entering the scene.

This official esports competition aims to select the best Luxembourg EA SPORTS FC™ players, but also to promote esports as a sporting discipline in its own right.

Orange Group has entered into a partnership with EA Sports around EA SPORTS FC 26, mainly focused on e-sports competitions

## 2026 EDITION

With the Orange Eleague, Orange and the FFL have created the perfect link between traditional football and e-sports. The event is the official qualification for the eChampions League and secures a place in the playoffs of the eWorld Championship.

## 2025 Edition

The involvement of the Luxembourg football clubs creates a new opportunity for the clubs to stand out and fans from both worlds to rally behind one team.

CHAMPION ORANGE ELEAGUE

IVANILSON

This season promises to be exciting in many ways. In particular, it will determine who will succeed the current (and four-time) reigning champion, Ivanilson. The Luxembourgish player has left Atert Bissen, the club he previously played for, and now plays professionally for SCO Angers in the eLigue 1 McDonalds.

eLIGUE 1 M

Our usual hosts, **Dorian Mercier** and **Christian Welter**, are back for this new season to represent the event and entertain us to the fullest on Twitch.

Set up of the stream and location by our partner : **FOQUS**

We will also have a Luxembourgish influencer joining our speakers live : **Pavlo**, from the Luxembourg-based **influencer agency Three52**.
